

Svart Aroma Coffee Grinder

NEW

You get a lot of grinder for your money. The materials and build make it a super solid piece of equipment. It grinds coffee quickly and quietly. As close as you can get to a professional grinder for just over £100!

Approved by the European
Coffee Brewing Center

- 250 g capacity
- 5 different grind settings
- DC motor gives lower speed and less heat for consistent grinding
- Timer function
- Security Protection against motor overload

Designed in conjunction with
Tim Wendelboe (Nordic Roaster)

Awarded for **Outstanding Contribution to the European Coffee Industry**

Champion of:

WORLD BARISTA CHAMPIONSHIP™

WORLD CUP TASTERS CHAMPIONSHIP™
